September 11, 2018

Greetings! The City of Pleasanton will hold the **2018 “Ready-To-Work” Collaborative Career Fair** in partnership with Coastal Bend College and Workforce Solutions Alamo on October 4, 2018, at the Pleasanton Civic Center. This collaborative career fair will include a cross-section of local, state, and national public and private entities.

We encourage your agency to join us in creating awareness about career and job opportunities for your agency. Our target market will include high-school juniors and seniors and the general public. We anticipate over 400 attendees.

The collaborative career fair will expose students and the general public to careers that will encourage them to excel academically, think about post-high school education, and learn about the requirements for a variety of well-paying jobs.

Pleasanton “Ready to Work” Collaborative Career Fair will include two sessions.

High School Student Session (9 a.m. – 11:30 a.m.) 11th & 12th grade students.

General Public Session (12 p.m. – 3 p.m.).
